3.1. Neil expressed his apologies for the late circulation of these, as it had been an extremely busy weekend and he was hoping to do them after sending out the agenda. In the event and due to the emailing error they will not actually go out until after this meeting.

4 Matters arising from Meeting 409 not covered elsewhere:

4.1 Due to the emailing error there were no issues raised at the meeting. NB After the meeting Dave Leitch asked that the spelling of his name be corrected in the 409 minutes.

8 Webmaster's Report

8.1 No report received prior to or at the meeting.

9 Travel Secretary's Report

9.1 Nothing in particular to report other than the electrification of the GWR rail lines is causing havoc with their weekend services and this is going to get a lot worse before it gets better with advance fares being announced late or not at all.

9.2 Neil updated the meeting on the SW franchise. As the franchise was now in charge of two separate routes to Exeter, the Competition Commission had obtained some form of assurance that the present difference in fares would be maintained. It is

difficult to see how the franchise holder can be held to that, in any event there are no doubt going to be fewer cheap fares.

9. Mark from Blackpool advised that the line from Preston to Blackpool would be shut for around three months.

10. Neil Le Milliere advised all clubs to look out for closures at Christmas as these were likely to be extensive. Neil also pointed out that away fans at Exeter should make sure they were likely to have a match ticket before booking travel – because of redevelopment work the away capacity is much reduced this season.

10.3 Darts

10.3.1 The Division 2 play-off final between Bolton and Everton took place on 27 September. Congratulations to Bolton who won the game. I went along for part of the game. It was played in great spirit. This means that Bolton will continue to play in Division 2 next season, and Everton in Division 3.

10.3.2 Although team captains have been sent a fixture list, they couldn't go on to the website until the outcome of the play-off was known. I can now work on getting the fixtures on to the website and will inform team captains once done.

10.3.3 Congratulations too to Manchester United who beat Leicester in the outstanding semi-final of last season's cup competition. They will play Sunderland in the final on a date to be arranged.

10.3.4 The draw for the preliminary round of this season's cup competition will be held after the meeting.

12.1 Anthony Summers (Blackpool) brought up the social media aspect of APFSCIL. He said he may be able to help and he would speak to Neil Le Milliere after the meeting.

13 Any Other Business

13.1 There was a discussion relating to the fact that televised games would now be played on Christmas Eve. Ian Todd (Sunderland) said that Premier League teams would not object to this. Neil Le Milliere (Secretary) said that the 39th game was now back on the agenda.

13.2 Tony Brown (Brighton) mentioned the inconvenience for fans at the forthcoming Brighton v Everton game with the kick-off being brought forward to an early kick-off on a Sunday so it could be shown on Indian TV.

13.3 Nick Head (Treasurer) brought up for discussion the fact that the association had high cash reserves, and could there be ways it could be used to support social activities, etc., perhaps by offering to subsidise book signings, etc., at the discretion of the committee. A further discussion would be held on this at the next meeting.

13.4 The Chairman reminded those attending that he could not chair the next meeting as he would be attending a charity fundraising event. Phil Arnold (Leicester) kindly agreed to chair the meeting.
